“ OUR CHAIRMAN’S MESSAGE

We are pleased to present our company to you through this profile. In the following pages, you will find our track record, our partnerships, flagship projects, future goals, and our operational capabilities.

Gomaa Badr Nouh Contracting Company is a leading contracting company in Egypt. We operate in multiple sectors, including road construction and general contracting.
Despite the challenges we have faced over the years, we believe we have succeeded in building a reputation based on trust, respect, and dignity. Our success is built on our highly qualified employees, financial sustainability, and the trust that our customers, community, and our beloved country have placed in us.

Above all, we have a strong team spirit that drives us to achieve our goals and dreams in our company. Whether we are managers, engineers, financial and administrative staff, or technicians and workers, we all work together to build a strong and prosperous future.

Sincerely,
Gomaa Badr Noah.

VISION

To be one the leading general contracting and road construction companies in Egypt and the MENA, providing high-quality services to our clients and contributing to economic and social development.

MISSION

To provide general contracting and road construction services with the highest quality and efficiency, and to commitment to worker and environmental safety, and clients satisfaction.

GOALS

- To maintain the company’s leadership in the field of road construction and general contracting in Egypt.
- To expand the company’s operations to include new sectors and regions.
- To make a significant contribution to Egypt’s vision for progress and prosperity.
- To serve our country and all Arab countries.
- To serve the labor market and provide thousands of job opportunities for youth.
